Spacious Apartment Living

Every architectural detail has been incorporated into Vanderbilt Club apartments to assure you comfort, convenience and carefree living. Interior arrangements are planned and laid out to give every possible advantage to furniture arrangement, drapery placement, lighting, ventilation, etc. Spaciousness is the keynote of the floor plan. All apartments are two bedroom, two bath and have over 1440 square feet of floor space, a screened terrace, walk-in closet, utility room, and linen closet. Buildings are fireproof and soundproof construction. Even pipes and stacks are wrapped in insulation to deaden sound.
