

● The single bedroom and bath apartments have a spacious 1100 sq. ft. floor space. Screened balconies—walk-in closets and other features for carefree living.

SPACIOUSNESS is the keynote of Moorings Bay Apartments, a choice of first, second or third floors, all with an enviable view of Moorings Bay and the Gulf of Mexico. Fully equipped electrically, with whisper-quiet air-conditioning, and other features, assuring you carefree "happy living".

- The three bedroom, two bath apartments have over 1680 sq. feet of floor space. Like the one and two bedroom—spaciousness is the keynote. One of the rooms may be used as a study or den. Bathrooms and walk-in closets large enough to maneuver in. Featuring all General Electric built-in ranges, refrigerators, disposals, dishwashers.
