

WEST WING

WEST WING

the library - den on each floor plan is really a full bedroom with its own bath and closet. in normal use a den-office-library, it converts immediately into a third bedroom.

wet bar with cabinetry for storage

air conditioning units in all apartments are outside. no one within your apartment for normal servicing. any noise factor is virtually eliminated.

all residences have a separate entry door to the kitchen.

all apartments are open on their sides. every window in every room has a view.

this closet specifically dimensioned for file cabinets

master suite has 2 full baths. 2 big walk-in closets, a complete his & hers dressing area.

oversized 6 tubs in master suite.

these lakes breakfast nook are bright, airy and offer a delightful view to the street.

custom kitchen & cabinets planned for your personal color selection.

with the large walk-in closets in all bedrooms.

north and south wing both have great view.

*west wing residences;
2525 sq. ft. of living area
500 sq. ft. of porch
3025 total square feet*

*north & south wing residences;
2563 sq. ft. of living area
362 sq. ft. of porch
2925 total square feet*

every bedroom is completely separated from the other, not just a wall dividing the bedrooms which is so common. no noise transference here.

when entertaining, could an office space be used for your guests?

** something as well as different, what are you looking for? all the way through the apartment - the view from the unit is the best. what a view - that will be what you may imagine the best residential?*
